Parent Participation

At Brentwood Park Primary School we are committed to involving the school community in all aspects of school life. Through education, communication and involvement, the school community can support and assist the school in the pursuit of a high quality education.

Transition Sessions

During the sessions your child will:

* Come into the classrooms and participate in the Investigative Learning program.
* Visit various specialist areas within the school and engage in a wide range of activities.

Parent Information Sessions

When your child is participating in their transition sessions, parent sessions will also be available. These will provide information about various aspects of the Foundation program. They cover:

* Literacy and Numeracy
* The Investigative Learning approach
* First days at school

These sessions are intended to be informative and to promote discussion. You are welcome to come and share your ideas and ask any questions you may have.
