

**BRENTWOOD PARK PRIMARY SCHOOL IS READY FOR THE 2021 PREP COHORT!**

Dear parents,

To support your child, our transition program is a little different this year. We are using our successful remote learning app - Showbie to keep in touch and allow the children to complete transition activities.

You should have already received your log in details.

The instructions included show you how to add the transition class and also upload your child's work. We are going to use the previously distributed transition dates to upload videos for you to watch about Brentwood Park Primary School. Student activities for your child to complete at home will be uploaded weekly.

You can also ask questions in the Questions folder. A staff member will answer any questions.

**Transition Dates:**

Wednesday 21<sup>st</sup> October - The Green Sheep

Wednesday 28<sup>th</sup> October

Wednesday 4<sup>th</sup> November

Wednesday 11 November

Wednesday 18<sup>th</sup> November

Wednesday 25<sup>th</sup> November

Yours sincerely,

Jim Bell

Principal of Brentwood Park Primary School

# Joining Foundation Transition 2021

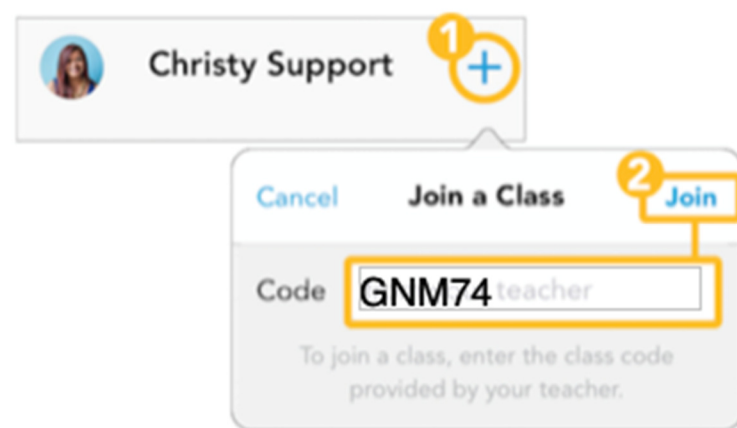

During remote learning, students at Brentwood Park Primary School have been using Showbie. We have found it easy to use and it has been a successful teaching and communication tool.

To support our transition program, we have set up a class for our foundation students for 2021 and their parents.

This program can be used on all platforms. If you have an iPad, you can download the app and other devices can access the content, going to [www.showbie.com](http://www.showbie.com)

We have created a username and a password for you to use. To support us, can you please use your child's full name when registering. Select 'sign in' when you log in the first time using the user name and password we have assigned your child.

Once your student [account has been created](#) and you're able to log in to Showbie, follow these simple steps to join another class.

- Open Showbie and click on the +
- Enter the [class code](#) provided by your teacher then tap *Join*

## Transition Class 2021

# GNM74

Each transition session (dates previously assigned) staff will add a transition task - a similar activity would usually be done with the children during transition sessions. The task will include a video with instructions. After completion, can you please upload the task for us to see. Click on the + and then photograph using the camera or scan document. Follow the online instruction. There is a 'how to' video at <https://support.showbie.com/en/articles/1420194-uploading-files>
