IMPLEMENTATION:

Inclusion and diversity

Brentwood Park strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff.

Our school is culturally diverse with 55.12% of families speaking a language other than English, with the largest groups being Sinhalese, Mandarin, Punjabi, Tamil, Hindi and Gujarati. The school also has representation from the Koorie community. We are proud of our diverse and inclusive community.

Brentwood Park is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity or disability so that they can participate, achieve and thrive at school.

We acknowledge and celebrates the diversity of backgrounds and experiences in our school community, and we will not tolerate behaviours, language or practices that label, stereotype or demean others. We value the human rights of every student, and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

At Brentwood Park we:

- actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (e.g. schools sports, concerts) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement*, *Student Wellbeing and Discipline* and *Bullying Prevention* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Reasonable Adjustments for Students with Disabilities:

The school also understands that it has a special obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist all students to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities through our Student Support Group processes in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners.

The school will aim to complete applications for support funding in a timely manner through the Program for Students with Disabilities (PSD) if deemed eligible.

Termly student support groups (SSG) are an integral part of the process for catering for students with a disability and support the ongoing management of Individual Learning Goals created by the classroom teacher, assistant principal and education support staff member, with parent input.
