

POLICY: DUTY OF CARE POLICY

Help for non-English speakers

If you need help to understand this policy, please contact the office on 9702 2022.

PURPOSE:

The purpose of this policy is to explain to our school community the non-delegable duty of care obligations that all staff owe to our students and members of the school community who visit and use the school premises.

“Duty of care” is a legal obligation that requires schools to take reasonable steps to reduce the risk of foreseeable harm, which can include personal injury (physical or psychological) or damage to property. The reasonable steps that our school may decide to take in response to a potential risk or hazard will depend on the circumstances of the risk.

AIMS:

The duty requires principals and teachers to take all reasonable steps to reduce risk, including:

- provision of suitable and safe premises
- provision of an adequate system of supervision
- implementation of strategies to prevent bullying
- ensuring that medical assistance is provided to a sick or injured student

The duty is non-delegable, meaning that it cannot be assigned to another party. The important issue in all cases will be what precautions the school could be expected to have taken to prevent the injury from occurring.

This will involve consideration of the following factors:

- the probability that the harm would occur if care were not taken
- the seriousness of the harm
- the burden of taking precautions to avoid the risk of harm
- the social utility of the activity that creates the risk of harm

IMPLEMENTATION:

Our school has developed policies to manage common risks in the school environment, including:

- Yard Duty and Supervision
- Bullying Prevention
- Camps and Excursions
- First Aid
- Child Safe Standards
- Volunteers
- Visitors
- Working with Children Checks
- Mandatory Reporting
- Tree and Ground Maintenance

Our school has developed procedures to manage common risks in the school environment, including:

- Yard duty timetable- The school grounds are supervised by school staff from 8:45 until 3:35. Outside of these hours, school staff will not be available to supervise students. During these times three staff are on duty, one at the side gate opening to Bemersyde Walkway, one at the back gate on Neilian Retreat and the other staff member supervising the gate at the front of the school. Teachers are allocated on duty at recess from 10:40am to 11:00am and lunchtime: 12:55pm to 1:40pm.
- Tree Maintenance /Audit
- Grounds Maintenance
- OH&S checks/audits

Our school acknowledges we are required to take reasonable precautions to prevent the abuse of a child by an individual associated with the organisation while the child is under the care, supervision, or authority of the organisation.

Staff at our school understand that school activities involve different levels of risk, and that particular care may need to be taken to support younger students or students with additional needs. Our school also understands that it is responsible for ensuring that the school premises are kept in good repair and will take reasonable steps to reduce the risk of members of our community suffering injury or damage because of the state of the premises.

School staff, parents, carers, and students are encouraged to speak to the principal to raise any concerns about risks or hazards at our school, or our duty of care obligations.

- No permanent changes to the yard duty roster are to be made without the approval of the Daily Organiser
