Child safety and wellbeing at Brentwood Park Primary School: information for families and the school community

The Victorian Government has announced new Child Safe Standards to further strengthen child safety across organisations, including schools. The new standards recognise the critical importance of families and the broader school community in maintaining and promoting child safety and wellbeing.

Brentwood Park Primary School has reviewed and updated our child safety policies and procedures to ensure they meet the requirements of the new standards. These are available to view on the school's website under the Publications icon.

We are committed to continuous improvement in our approach to child safety and wellbeing and welcome feedback from families and members of our school community on ways we can further strengthen our child safety policies, procedures and practices.

If you have any suggestions, comments or questions, please contact Brentwood Park Primary School at brentwood.park.ps@education.vic.gov.au or by phone on 03 9702 2022.

Our child safety and wellbeing policies outline the measures and strategies we have in place to support, promote and maintain the safety and wellbeing of our students:
