National Sorry Day 2026

National Sorry Day was conducted on ***Tuesday, 26 May***, and was followed immediately by ***National Reconciliation Week (NRW)*** from ***27 May to 3 June.***

National Sorry Day commemorates the strength of the Stolen Generations and acknowledges the trauma caused by the forced removal of Aboriginal and Torres Strait Islander children from their families.

As mentioned previously, ***Anthea Barry*** is a valued education support staff member contributing significantly to the educational goals of the children with whom she works. Her impact however, is all across all Prep—Year 6 classes by deepening the students' understanding of ***First Nations*** perspectives and traditions. On ***National Sorry Day***, ***Anthea*** delivered professional and authentically tailored sessions to the Years 5 and 6 classes on this topic with a focus on the students' current reading text ***Sister Heart*** and complementing their later watching of the movie ***Rabbit Proof Fence.***

National Sorry Day Presentation

Thank you, Anthea. The presentation was delivered to a most appreciative cohort of students.

School Wide Positive Behaviour Support

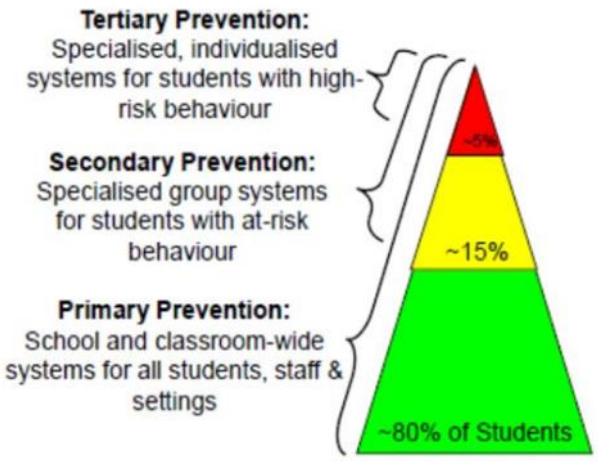
SWPBS is a school-wide approach to help support, define, teach and reinforce positive behaviours of ALL students. The school-wide approach to discipline focuses on building a safe and positive environment in which all students can learn.

SWPB is a process for creating safer and more effective schools. It is a systems approach to enhancing the capacity of schools to educate all children by developing research-based, school-wide, and classroom behaviour support systems. The process focuses on improving a school's ability to teach and support positive behaviour for all students.

Rather than a prescribed program, ***SWPB*** provides systems for schools to design, implement, and evaluate effective school-wide, classroom, non-classroom, and student specific plans. ***SWPB*** includes school-wide procedures and processes intended for all students and all staff in all settings. ***SWPB*** is not a program or a curriculum. It is a team-based process for systemic problem solving, planning, and evaluation. It is an approach to creating a safe and productive learning environment where teachers can teach and all students can learn.

The key attributes of *SWPBS* include preventive activities, data-based decision making, and a problem solving orientation. SWPBS is a technology with four core, defining features:

SWPBS is a tiered intervention framework. ***SWPBS*** uses a tiered intervention framework which invests in prevention (tier I), identifies and provides targeted supports for individual students at risk for developing challenging behaviour (tier II), and provides individualised and intensive interventions for students with significant support needs (tier III).



Welcome Brentwood Park Baby Number 4!

As mentioned in our 'Mother's Day' newsletter edition, three out of six expectant babies had already arrived for 2026! Last week, baby number four was welcomed by new parents Emily and Tim Wood! Little ***Oscar Desmond Wood*** was born on 18 May.

Rethink Recycle

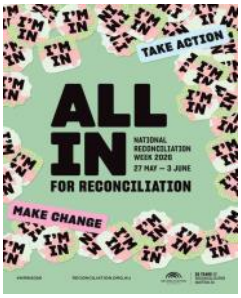
Brentwood Park Primary School's grounds and maintenance staff member, ***Daryl West,*** proposed the idea that recycling plastic bottles, particularly through the ***container deposit scheme [CDS]***, is a powerful, dual-purpose initiative for schools as it reduces environmental waste while generating funds (10 cents per container) that can be used for school projects, equipment, or charity.

At last week's assembly ***Daryl*** encouraged the students to get involved and will coordinate the collections along with our ***Student Representative Council***, under the facilitation of staff member, ***Lily Scouler!***

With approximately 1,000 students, if each brought one recyclable container at 10 cents each, their efforts could generate $100 weekly towards school fundraising!

Reconciliation Week 2026

National Reconciliation Week [NRW] in ***2026*** runs from ***Wednesday 27 May*** to ***Wednesday, 3 June***. The week provides a dedicated time for all Australians to learn about shared histories, cultures, and achievements.



The theme for ***2026*** is ***"All In"***. It serves as a bold call to action, reminding Australians that reconciliation is not a spectator sport, and meaningful progress requires everyone to commit wholeheartedly to the journey every single day. The official ***2026*** campaign artwork was created by renowned ***Gumbaynggirr/Bundjalung*** artist ***Otis Hope Carey***.

National Reconciliation Week dates remain the same each year to commemorate two monumental milestones in Australia's reconciliation history:

- ***27 May:*** Marks the anniversary of the highly successful ***1967 referendum***, where over 90% of Australians voted to include Aboriginal and Torres Strait Islander peoples in the Census and grant the Australian Government the power to make laws for them.
- ***3 June:*** Marks the historic ***1992 High Court Mabo decision***, which recognized Native Title and overturned the legal fiction of *terra nullius*.

Sister Heart

Novel Study

Year 6 students are currently undertaking a novel study on the text, 'Sister Heart' by Sally Morgan - a novel about the Stolen Generations written for mature young readers in the format of free verse poetry.

Throughout this unit, students have discovered and learnt about the elements of free verse poetry, and how these are used to convey further meaning beyond written words.

For one lesson, students were required to write a stanza on one of the key themes of the text; kinship.

After sharing her stanza, a student in 6EK suggested that the stanzas written by all students be compiled to create a complete class poem on family and friends. And so we did...

Students read aloud their own stanzas as we shared as a class. Following this, students voiced that they had more of an understanding of the theme of kinship, they enjoyed reading their own writing, and felt connected to each other.

Family doesn't need to be blood
it can be a close friend
Friends are as close as

Family are friends in a way
Friends are like family
No matter how far away you are
they are always there with you
Across the seas
On the land
They will never leave you

When a friendship flourishes
it's family now
Like the sun and moon reunited
Standing

Always always
There is no bond that can break it

SCHOOL BREAKFAST PROGRAM

Thank you, to everyone who has generously donated items to our Breakfast Club. We are incredibly grateful for the ongoing support we have received from our school community. We have received toasters (thank you Brodie and the Taylor family), sausages, margarine, butter, and jam. All donations are very much appreciated. A special mention goes to Jessica, 6LM, who has written a letter asking for donations. She has visited Coles, Woolworths, Aldi and Baker's Delight. Some common items for donation to assist in the running of Breakfast Club are; margarine, dishwashing liquid, and disposable gloves. Donations of flour, sausages, eggs, sugar, jam, a juicer or sandwich press would be greatly appreciated.

Thank you for your kindness and generosity.

Any donations can be directed to Mel.

To whom it may concern,

My name is Jessica and I attend Brentwood Park Primary School. I am in grade 6.

At school we have a breakfast club on Tuesdays and Thursdays which is targeted towards kids who can't afford breakfast or don't have time to eat breakfast. At our school we feel that anyone should have the opportunity to have a bite to eat. At Brentwood Park Primary, our Breakfast Club aims to ensure that every student starts their day with a full stomach and a ready mind. Currently, we serve 300 students each morning, but we rely entirely on the generosity of our community to keep our pantry stocked.

The toast is our usual most popular but last week one of the teachers kindly donated a packet of 24 sausages and everyone was so excited to eat something warm on a chilly morning.

Breakfast club is completely voluntary, run by teachers, parents and sometimes students like me. We are asking for donations of items such as cereal, sausages, flour, butter/margarine any regular donations or vouchers would be greatly appreciated

Thank you for reading this letter.

Kindest regards Jessica

Jessica

This is a genuine request for support from Brentwood Park Primary School.

Please address your response to the teacher who runs breakfast club Mel Dennis. Melanie.dennis@education.vic.gov.au
